

A Resolution

WHEREAS, certain recent actions taken by the Republican Party of Iowa have compelled the activists and interested parties of this organization within the Republican Party to come to this unfortunate but necessary resolve; and

WHEREAS, the present leadership of the Republican Party of Iowa has resisted efforts to remediate these actions and has, in fact, exacerbated them through continually provoking those activists and interested parties who, under the banner of Republicanism, call this beloved party their political home; and

WHEREAS, said actions include, but are not limited to, changing the Iowa Republican State Convention to a date that will hinder the Republican United States Senate nominee and, moreover, setting the Iowa Caucus date on a historically low turnout date and again refusing to listen to grassroots concerns and, moreover, limiting and obstructing legitimate and traditional grassroots organization for the welfare of the Republican Party; and

WHEREAS, the cumulative effect of these stated actions has caused a cloud of distrust and anger to impede this Party and preclude it from conducting reasonable business necessary to the furtherance of our common electoral goals at all levels; and

WHEREAS, the present leadership of the Republican Party of Iowa has shown utter and total disregard - bordering on contempt - for its own candidates and activists in their long-held, time-tested, and widely accepted procedures and for the opinions and advice of longstanding and trusted Republican elected officials, activists, candidates, and leaders; and

WHEREAS, more and better is, obviously, expected from those who not only manage the Party's affairs, but are the public face and the elected leadership of our beloved Party;

It is now therefore resolved

1. The duly elected members of the Polk County Republican Central Committee do hereby declare that we have no confidence in the present Republican Party of Iowa Chairman A.J. Spiker and Co-Chairman David Fischer to in good faith execute the duties and responsibilities of their positions for the furtherance of the goals - present and future - of the candidates, activists, and members of the Republican Party of Iowa; and
2. We do respectfully request and expect that their resignations be tendered to the secretary of the Central Committee of the Republican Party of Iowa forthwith and without delay.
3. The effective date shall be September 24, 2013

Signed,

_____, Co- or Vice-Chairman

Respectfully,
